

Winemaker: Jean- Louis Mourre

Region: Rhone Valley

Appellations we carry:

- AOP Vacqueyras
- AOP Ventoux
- IGP Mediterranean

Key Notes: The Mourre family has been producing wine since 1962. Jean-Louis took over in 1995. He has thrived in making fantastic wines, while being extremely conscious of the environment as most of his farming is certified organic. Having a background in geology really helped him consider the sedimentary soils, flora, and climate in his wine making to make consistent quality each vintage.
