Key Notes: The Domaine Juliette Avril Estate is a family-run estate. In 1988 Marie Lucile Brun took over management of the estate, succeeding her mother, Juliette Avril. Her son, Stephan Brun joined in 2000 to head the estates commercial, admin and viticulture departments. The roots run long and deep. The estate consists of 38 hectares and half of the vines are more than 50 years old. As first Consuls of Chateanueuf-du-Pape, the Avril family has cultivated centuries of winegrowing and Provençal tradition.
